2008 Central Valley Salmon Season Closed

As of July 3, 2008, the Central Valley salmon fishery is closed. No Chinook can be kept on the Sacramento and San Joaquin rivers or any of their tributaries. Except, November 1 to December 31, on the Sacramento River from 150 feet below the Lower Red Bluff boat ramp to the Hwy 113 Bridge near Knights Landing, a bag and possession of 1 salmon is allowed. Enclosed is a Central Valley Salmon Closure notice, please post in a prominent location.

Delivery of License Orders

DHL has reduced delivery services that affect multiple areas (see postal codes listed on back). DHL is using a third party carrier (i.e. United States Postal Service (USPS)) to deliver packages to these areas. Orders shipped Collect on Delivery (COD) within the zip code ranges are being returned to the DFG by the USPS. If a shipment is returned, the DFG will contact you to make payment and delivery arrangements. COD Agents within the non delivery areas are being asked to prepay for all license orders by credit card (Visa or MasterCard) or by mailing in an order form with a check or money order until this is resolved. If you experience problems receiving your orders in a timely manner, please contact the Compliance Unit. Thank you for your patience, while DFG works on a resolution.

Sport Fishing Report Card Requirement Includes Free Fishing Days

All anglers are required to have the applicable report card in possession while fishing for steelhead, sturgeon, abalone, spiny lobster or salmon in the Klamath-Trinity river system. This includes anglers who are not required to have a sport fishing license, such as: anglers under 16 years of age or anglers fishing on free fishing days (September 27, 2008). Please refer to the instructions for issuance on the sport fishing report card books on how to issue a report card to a customer without a sport fishing license.

Sales Reminders....

Instructions for Issuance

Please remind license sales staff to read the instructions on the license books prior to issuing license items. Questions regarding license requirements, issuance, or reporting should be directed to the Compliance Unit.

License Issuance

By law, you cannot issue a blank license. When issuing a license, you must enter the date issued, the name, residence address, date of birth, and physical description. When someone buys a license for another person, you must write in the licensee's name and residence address before issuing the license. The licensee may not use the license until he/she has signed it and filled in the missing information (physical description and date of birth). (Sections 705 and 707, Title 14, California Code of Regulations)

Just a Reminder....

- ✓ Check your license inventory often and allow 15 business days for delivery of license orders.
- ✓ Fill and print report forms, fee posters, order forms and other valuable information are available online at:
